

Web Development Placement Student Required

We are looking for a bright, organised and self-motivated web developer to join the Ecommerce department at a challenging and exciting time in our Maidenhead office from summer 2018 for a 12 month placement.

This exciting role requires superior attention to detail, great organisational skills, and the ability to juggle multiple requests. This is a great entry level role for those looking to gain lots of experience in a fast moving ecommerce environment.

Avery UK's ecommerce business specialises in manufacturing printing of customised products, such as self- adhesive labels, binders and cards.

Take a look at our website, www.weprint.avery.co.uk, where you will find more information on our online offerings. This is a great opportunity for you to gain first hand web development and ecommerce experience with a global brand leader.

You will be exposed to the full ecommerce mix but will specifically be involved in the following:

Duties / Responsibilities

The details of the role are as follows:

Assistant Web Developer

Supporting the ecommerce websites in the UK and Europe.

This role would include:

- Webpage creation and development
- Test and implementation of user requests and system developments on time
- Complete A/B testing, website analytics and optimisation
- Some Graphic Design - creation, optimisation and management

Skill set required

We would love to hear from you if you have the following skills/experience:

- Studying for a web programming degree
- Experience with Google analytics, A/B testing tools and CMS would be ideal
- The ability to develop in the all or most following languages: - HTML, PHP, JavaScript and CSS
- Passionate, enthusiastic and hungry to learn
- Ability to prioritise - focuses on key areas & balances requirements. Able to work on multiple projects at any one time.
- Communication/relationship building skills - develops good internal & external relationships - excellent team player.
- Skilled in Photoshop/adobe packages would be an advantage

If you are interested in these opportunities please send your CV to Fiona Mills at fmills@avery.com by 1 July 2018
