# PRINT AND CUT
OVAL LABEL SHAPES

AVERY

Step **01** **PRINT:** print these pages to actual size or 100% scale. Do not fit, shrink or scale below 100%. For best results, Avery recommends using Adobe Acrobat Reader (free).
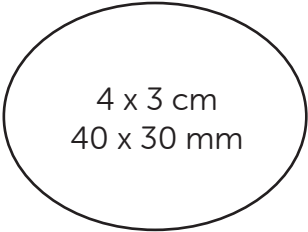

Step **02** **CUT:** using scissors, cut out the label shapes.

Step **03** **APPLY:** tape the label shapes on your product one at a time to help visualize what label looks and fits best. Make sure to get a good look at your product from all angles and distances to see which label shape is the best.
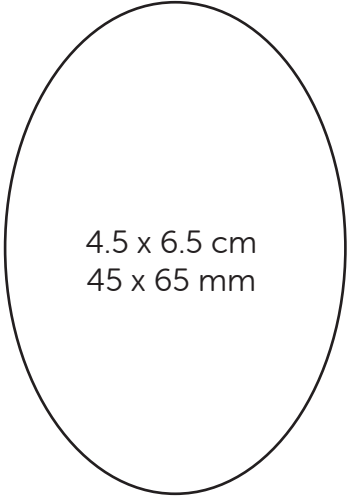

Step **04** **ORDER:** go to avery.co.uk to order the exact label you are looking for. You can choose blank labels to print yourself or personalised labels printed by Avery.
