Scavenger Hunt

Let the fun begin! Hunt around your garden and house to see how many things you can find. Will you find any under the sofa? On a tree? Behind a plant pot?

There's 10 to find, let's see who can find them the quickest.
First back with all their objects wins!

1 something that makes a noise

6 4 different kinds of leaves....

2 something purple.....

7 something soft.....

3 3 small rocks.....

8 something round.....

4 something that lights up.....

9 2 different things that smell

5 something you can wear.....

10 something you can eat.....

Get creative with Avery® Labels

Write the scavenger tasks on your Avery Kids Name Labels and hide them for the kids to find. Attach them to lollipop sticks or stick them to items around the house and garden.

Fancy Fish *Wand*

Get crafty making this fun and creative wand! Start by decorating your fish. What will yours look like – will it have stripes, spots or maybe zigzags? Then ask an adult to help you cut out the fish's body, fins and tail. Use a straw for the wand and glue the two sides of the fish together. Finally, glue strips of colourful tissue paper to the tail.

Get creative with Avery® Labels

Decorate and name your fancy fish with Avery Kids Name Labels. Use labels to stick on the fins and decorate the tail.

Jazzy Jellyfish *Wand*

Get crafty making this jazzy jellyfish wand! Print out the template and colour in your jellyfish. What will yours look like – will it have stripes, spots or maybe zigzags? Then ask an adult to help you cut out the jellyfish.

Use a straw for the wand and glue the two sides together. Finally, glue strips of colourful tissue paper to make jazzy tentacles.

Get creative with Avery® Labels

Decorate and name your jazzy jellyfish with Avery Kids Name Labels. You can use labels to add colour and decorate the tentacles.

DIY Cardboard Box House

Build a house or even a town with this fun DIY cardboard box house activity. Simply follow the instructions below – **let's get creative!**

What do you need?

- Cardboard box
- Scissors or a utility knife
- Glue gun or PVA glue
- Pens and/or colouring pencils
- Paper
- String
- Other decorations
- An adult to help with the cutting

Step 1: On the open end, cut the two side flaps into triangles to create the roof.

Step 2: Assemble the roof pieces together with glue.

Step 3: Cut a flap at the 'front' of the box and fold it back to create the door.

Step 4: Cut windows into the box.

Step 5: Decorate the house by drawing, colouring, or glueing on paper, string and other decorations.

Get creative with Avery® Labels

Use Avery Kids Name Labels to name and decorate your house. They're great for making windows and doors!
